

Nom: _____

Lecture de mots

- Place a copy of the *Student View Lecture de Mots* in front of the student.
- Teacher says: **Peux-tu me lire ce mot?**
- Record all responses, including multiple attempts. When a student sounds out one letter at a time, letters can be separated with a dash (-)
- Administer the first 5 words. If the student gets all 5 incorrect, stop the subtest.
- After the first 5 words, if the student gets 3 consecutive items incorrect, stop the subtest.
