

Outdoor Exploration Literacy Kit

	<p>Messy Maths - A Playful, Outdoor Approach for Early Years</p> <p>Messy Maths is packed full of activities to encourage children to learn through hands-on experience</p>
	<p>Go Out and Play Donna Klockars</p> <p>This story is about going out to play even when it seems like the weather is bad. What things do you like to do when you are playing outside? Can you think of a time that you had fun even though the weather was bad?</p>
	<p>Lessons from Mother Earth Elaine McLeod</p> <p>Tess has visited her grandmother many times without really being aware of the garden. But today they step outside the door and Tess learns that all of nature can be a garden. And if you take care of the plants that are growing, if you learn about them -- understanding when they flower, when they give fruit, and when to leave them alone -- you will always find something to nourish you</p>
	<p>One a Beam of Light Jennifer Berne</p> <p>A boy rides a bicycle down a dusty road. But in his mind, he envisions himself traveling at a speed beyond imagining, on a beam of light. This brilliant mind will one day offer up some of the most revolutionary ideas ever conceived. From a boy endlessly fascinated by the wonders around him, Albert Einstein ultimately grows into a man of genius recognized the world over for profoundly illuminating our understanding of the universe.</p>
