

Professional Book Club Overview 2023

Area of Research	Readings being studied will enhance instructional practice and student learning
Who may be involved?	<p>2 or more members of the Saanich Learning Community – Open membership and cross school participation is encouraged, teaching staff, administrators, CUPE.</p> <p>Applicants must be working in the Saanich School District to receive or access funding.</p>
Funding Levels	Up to \$50 per member. Based on cost of book, and up to \$10 for snacks, to a max of \$50. The size of the grants and number of teams funded will be determined by the total amount of funds available for use in this area. If applications exceed available resources, priority will be given to teams that have not recently received funding. A balance in the number of projects will be maintained between schools and levels as much as possible.
Funding sources	Funding is provided by the Saanich Teachers' Association, the Saanich Administrators' Association, CUPE, and the Saanich School Board.
Accountability	Project activity and any receipts must be demonstrated by April 15, 2023 to retain funding. Status reports to be submitted with receipts as expenditures occur . Final receipts for reimbursement must be submitted to Carolynn Ablitt at SBO by Friday June 9, 2023.
How is work shared?	<p>Book clubs are asked to submit a summary of their learnings by June 9 for posting on the HUB. You may choose a format of your choice (ie. blog, video, journal).</p> <p>When sharing the results of your book study, please consider the following:</p> <p>Staff Meeting(s), meet with staff from other schools, NID session, Level meeting, PAC meeting, Pro Growth Council</p> <p>Anything that is developed as a result of this funding belongs to the Learning Community served by School District #63, Saanich.</p>
