Dear Parent/Guardian:

Participating in a global learning environment extends our classrooms and student learning experiences. An important part of our class work this year involves students using Web-based tools to create and share our learning.

In my Social Studies 10 class, <http://prezi.com> will be used to:

- Give students the opportunity to collaboratively, in groups of 2 or 3, create a visual aid to support classroom presentations.
- Share student presentations embedded in our course website
- The terms of use and privacy policy for Prezi states that students between the ages of 13-18 require parent consent sign up for a Prezi account. For more information on the terms of use and privacy policy of Prezi please visit the following links: <http://prezi.com/terms-of-use/#toc4> and <http://prezi.com/privacy-policy/>

To use <http://prezi.com>, your child will need to:

- Create an account using the following personal information: an email address or Facebook or LinkedIn account

If you need further information, please feel free to contact me at teacher@sd63.bc.ca or at Stelly's 250-652-4401.

Thank you,
