

Healthy Schools Meeting--May 6, 2016

Learning Intentions:

1. I will develop a better understanding of comprehensive school health and how it impacts schools
2. I will understand the role of the Healthy Schools Champion
3. I will identify a challenge for my school and begin to develop a framework to address it.

Agenda:

1. Overview of comprehensive school health
 - Consider how this information could be shared with staff
 - Healthy Schools Learning Framework as a slide in presentation.
 - Reframe the Terms of Reference and background info. distributed previously.
 - Resources:
 - Highlight the Healthy Schools website.
2. Review of inventories done in the 2014/15 school year --already so much happening throughout the district.
 - Use HLPS Quick Scales
 - Summary inventories, need to have hard copies and as a slide.
3. Discuss with the group and decide on one focus or enhancement for each school in the 2016/2017 year (i.e. a specific element of the new curriculum)
 - Time at the meeting to do the thinking and planning work so that there is not a lot of take home.
 - Template or graphic Organizer.
4. Share out with colleagues.

Notes:

*Have the healthy schools rubrics out so we can look at them in the context of our school

*Discuss the Dali Lama--Educate the heart not just the head or no education at all

*80% of what we want for our students to become healthy and well rounded learners is social emotional
